Dharmaraja College Kandy

G.C.E Advanced Level Examination (2018)
Combined Maths: C, Physics: C, IT: B z-score: 1.2725

Projects

Janiro Moving International (Pvt) Ltd.

It is a company that sends employees to New Zealand for working. Mainly they are focusing on medical side. So the client wants me to develop the Full stack website from the UI design to the end.

UI design: Adobe XD

Technologies: React, Styled-components, react-router, NodeJS, Firebase

janiromoving.com

Sri EventZ Web

SriEventz is an Event Planning platform which integrates every service related with any event. E.g.: for a wedding you can find photographers, makeup artists, wedding cake designers, wedding card creators etc. from this platform. This was made for the HackX2021 hackathon Finals.

UI Design: Adobe XD

Technologies: React Js, styled-components, NodeJS, express, firebase

github.com/venuradesh/sri-eventz-web.git

RK-Learning Dashboard

Client wants to add his courses to the database once login to the system and need to show them in the home page. Also he needs to mark if any user pays him to buy those courses. He asked me to keep the things simple and gave me 2 days to deliver.

UI Design: Adobe XD

Technologies: React Js, styled-components, firebase, react-router
